Notice of Grant Application and Availability of Draft for U.S. Environmental Protection Agency Brownfields Job Training Grant

Notice is hereby given that on Tuesday, December 1, 2009, the King County Department of Community and Human Services will submit an application to the U.S. Environmental Protection Agency for \$200,000 in Brownfields Job Training Grant funds through its Work Training Program. If awarded, the funds will be used to train King County residents for the handling and removal of hazardous substances, which includes training for sampling, analysis and site remediation.

Funds will also be used for

- training in the management of facilities at which hazardous substances, pollutants, contaminants or petroleum contamination are located
- training for response activities often associated with cleanups – landscaping, demolition, and groundwater extractions
- development/refinement of existing curriculum for the training described.

The county will solicit community input into the draft, which will be available for public review on **November 16, 2009**. The draft may be obtained by contacting Carolyn Bledsoe, KCJI Program Manager or online at the King County Work Training Program Web site at www.kingcounty.gov/socialservices/WorkTraining.

Comments on the draft will be received through **Tuesday November 24, 2009**.

For more information and/or to make comments, contact/submit comments to:
